Feedback Report 2021-22

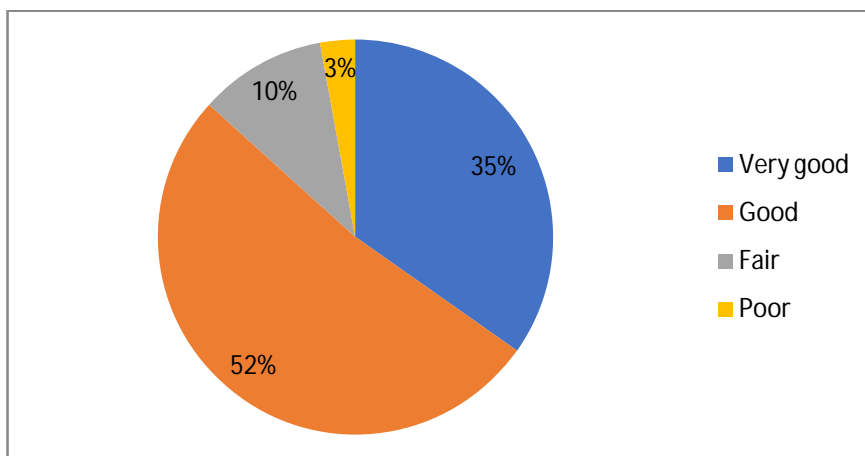

Students Feedback Report

During the academic year 2021-22, the IQAC feedback committee collected feedback from students of the institution using google forms. Well structured google forms prepared with the aim to collect realistic responses were circulated among students. All these feedbacks were analysed by using a 4 point rating scale.

1. The teachers cover the entire syllabus

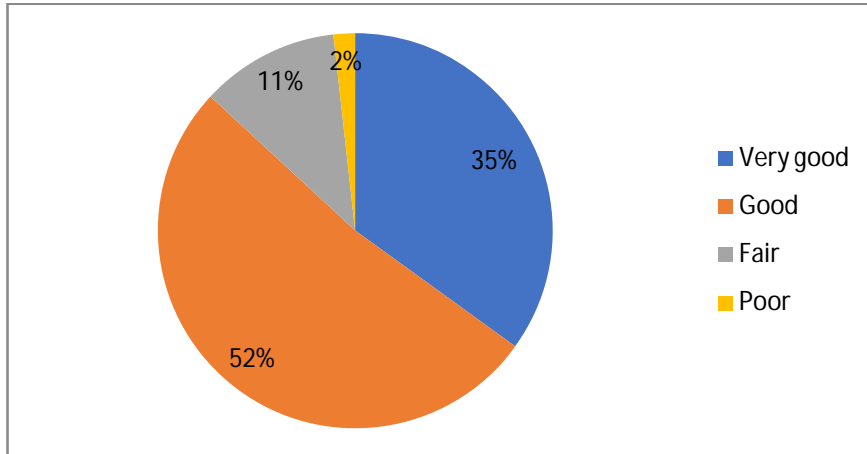

2. Comment on the internal evaluation process adopted by the institution

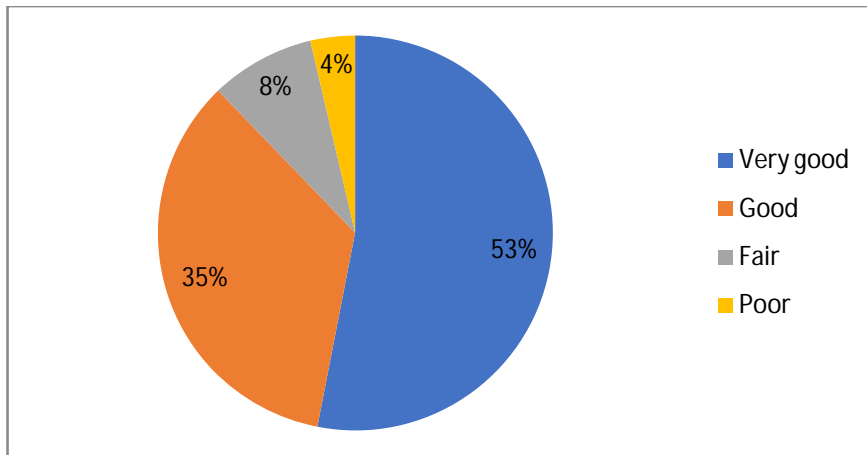

3. Comment on the infrastructural facilities of the institution

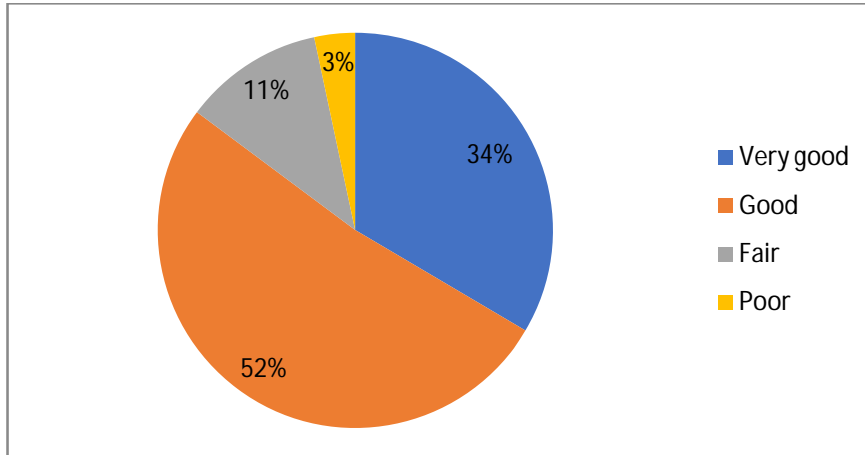

4. Comment on Library Facility

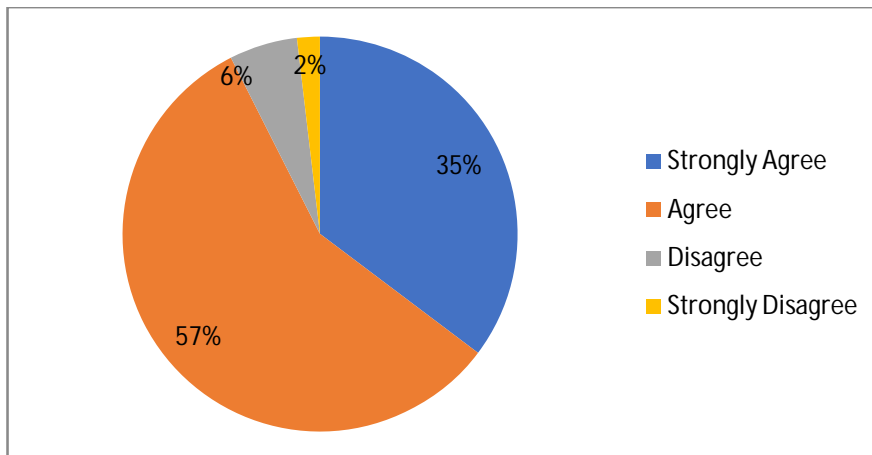

5. Facilities for Online Learning

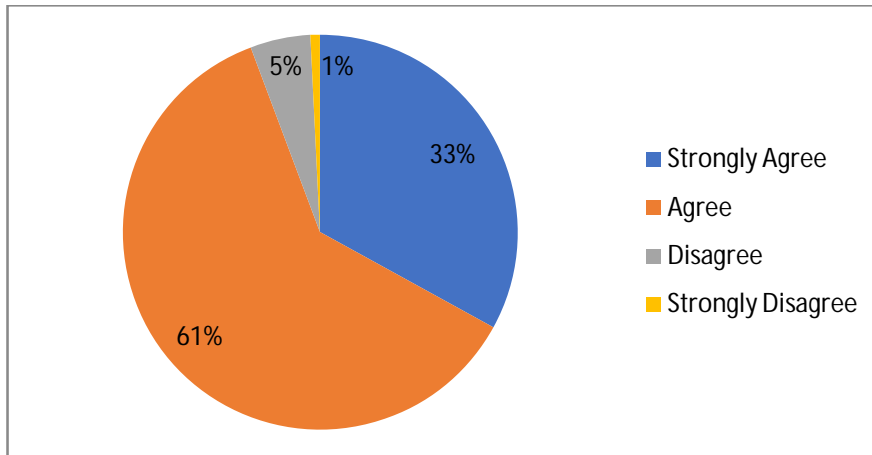

6. The teacher encourages the students to participate in extra-curricular, co-curricular activities and research projects

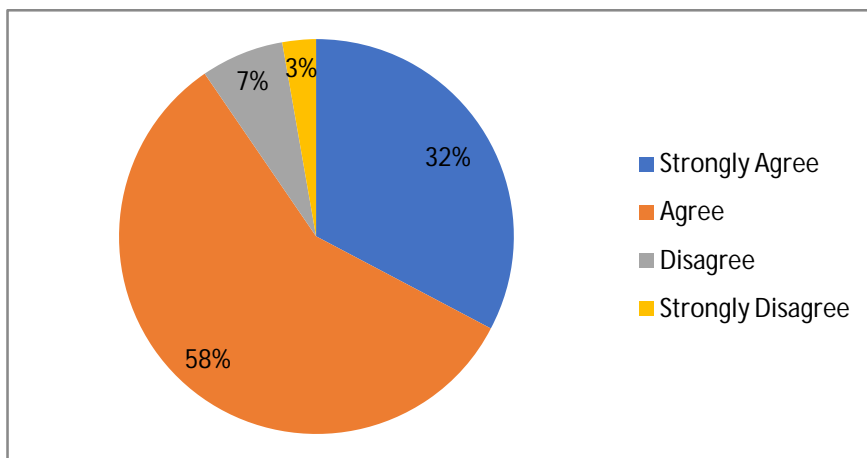

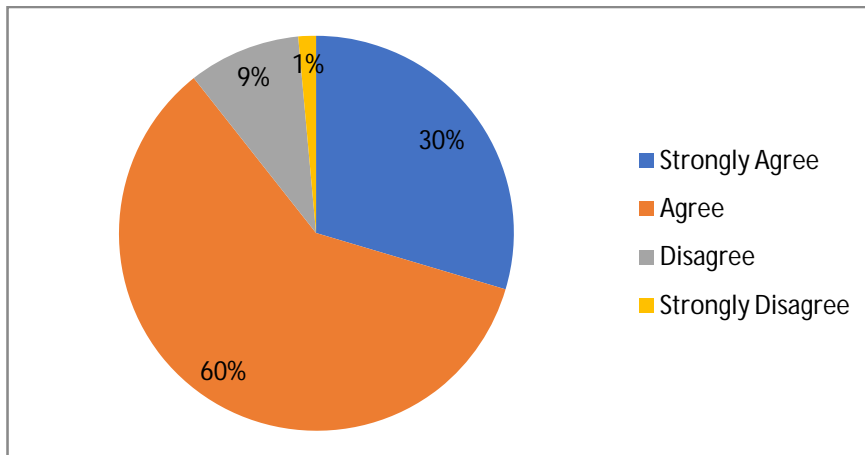

7. Helping attitude towards various academic interests of the students

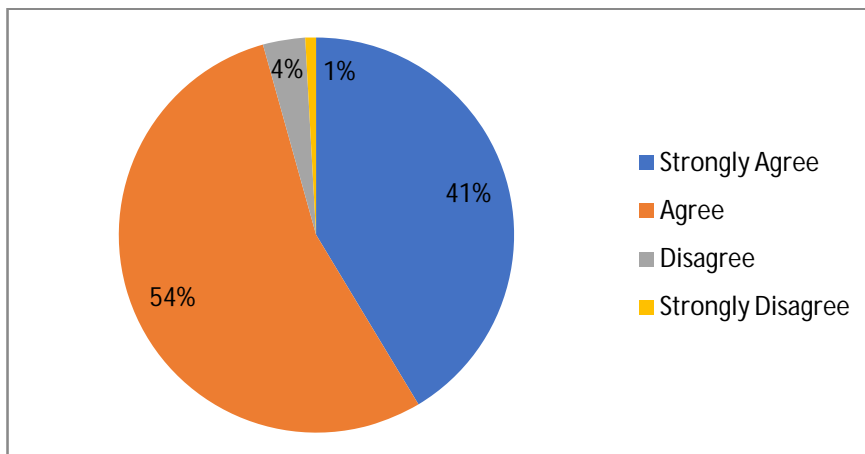

8. Help students in facing physical, emotional and learning challenges

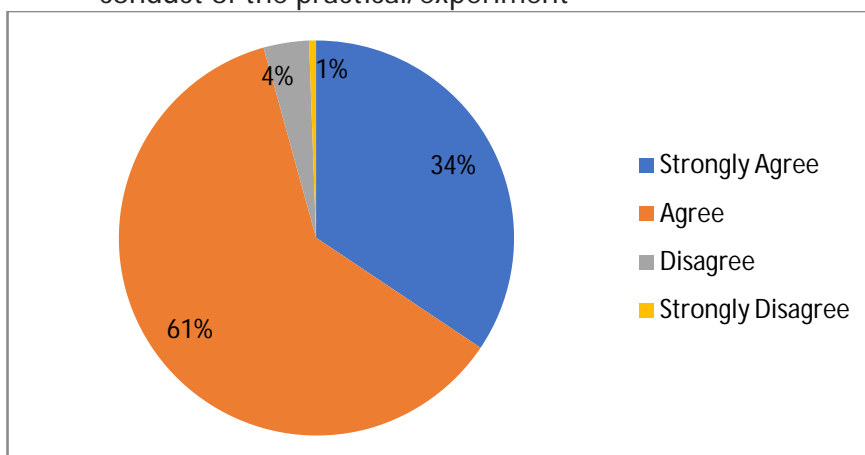

9. Helps students in realizing their strengths

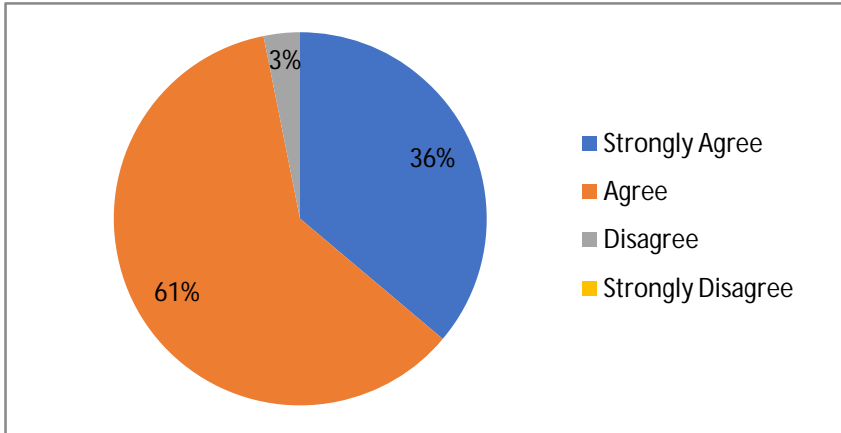

10. The teacher's attitude towards the students is friendly & helpful

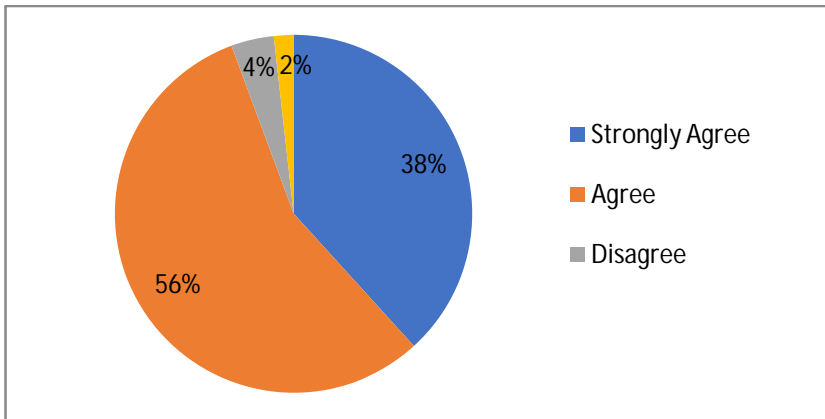

11. Proper instructions and demonstrations are given by the teacher prior to the conduct of the practical/experiment

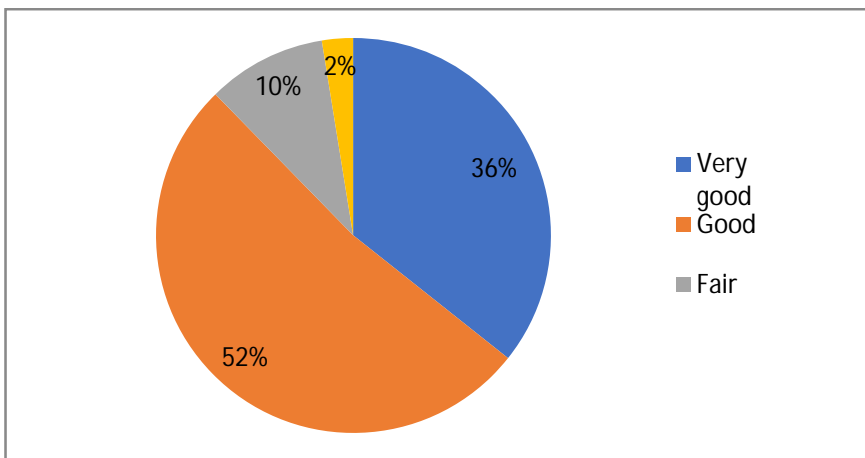

12. The teacher helps the students in smooth conduct of lab experiments

13. The institution offers opportunities and facilities to students irrespective of Gender

14. Capacity of curriculum in supporting higher studies

A survey of PG and UG students' response on the completion of the syllabus revealed that 32% of the students strongly agree that the teachers completed the entire syllabus, while 58% agreed; from the data it is clear that the majority students had a positive response. The data evolved from the survey related to teacher encouragement of the students to participate in extra-curricular, co-curricular activities and research projects elicited a highly positive response, 35% strongly agreed and 57% agreed. The survey pertaining to teacher's helping attitude towards various academic interest of the students revealed that 33% strongly agreed and 61% agreed. Regarding teacher's help in students to face physical, emotional and learning challenges 33% strongly agreed and 58% agreed. From the data collected regarding teacher's help in students in realising their strengths 30% strongly agreed, while 60% agreed. Students comment on the teacher's attitude towards the students is friendly and helpful revealed that 41% strongly agreed and 54% agreed. Regarding proper instruction and demonstration for lab 34% students strongly agreed, 61% agreed. The survey regarding the institution's opportunities and facilities to students irrespective of Gender too elicited a positive response; 38% strongly agreed, while 56% agreed.
